THE HON'BLE SRI JUSTICE C.V.RAMULU

W.P.No.18847 of 2006

ORDER:

The learned counsel appearing on either side fairly conceded that the issue involved in this writ petitions is squarely covered by the decision of this Court in W.P.No.8207 of 2006 and batch dated 25.4.2006, therefore, this writ petition is also liable to be disposed of in the light of the above judgment.

In view of the same, this writ petition is also disposed of in terms of the above judgment, which is as under:

"In view of the fact that no licence is required under the Act for manufacture and sale of bio-products as long as they do not contain any ingredients of insecticide as mentioned in the schedule, i.e. Antagonistic Fungi and Bacteria, respondents cannot interfere with the store, sale and distribution of bio-products belonging to the petitioners. It is needless to say if the bio-products contain any chemical or insecticides which endangers the environment, it is always open for the concerned authorities to take appropriate action against the petitioners-manufacturers and the dealers of the said bio-products, and by the Executive Magistrate in exercise of powers under Section 133 Cr.P.C."
